Dear Madam,

I regret to inform you that your son, Charles Kenneth Beer (Marine Ply/X111339), has been reported wounded, whilst on war service, on 9th October, 1944, and is stated to be suffering from gun shot wounds to back and left side.

This is the only information at present available, but you may rest assured that, should any further report on his condition, or indication of his whereabouts be received, I shall write to you again without delay.

In the meantime, please accept my sincere sympathy in your time of anxiety.

Yours faithfully,

Major R.M.
Brigade Major.
MMS.
