No. 1 COMMANDO PROUDLY PRESENTS

THE FIRST BIRTHDAY EDITION OF
 ITS GLOBE TROTTING SHOW

"COMMANDO PERFORMANCE"

AT THE COMMANDO

GARRISON THEATRE

"SOME WHERE IN INDIA"

SOUVENIER PROGRAMME

From a humble start, "Commando Performance" has become a Commando institution, ranking highly with the various sports and recreational organisations

The first Performance was given early in February 1943 at the mine, in Seljenane, Tunisia with a trailer for a stage the moon for illumination, and German positions clearly visible six miles away. Its success was assured from the start, and at regular intervals, new editions have been produced, not only in Tunisia, but in Algeria, Egypt, on H M ships in the Atlantic, mediterranean, and Indian Oceans lands and now in India

Most of the original performers are appearing in this Birthday Production, assisted by newer members, and due to their untiring efforts, they have graduated from beginners to accomplished artistes with wide repertoires, and sacrifice most of their spare time, to rehearse new shows. Without their co-operation, it would be impossible to present our show regularly

Our aim is to continue giving you real entertainment when and where it is most required, for in the words of Shakespeare—"Our time intent, is all for your delight."
